## Transforming CA Education

**Are you a CA student gearing up for the upcoming November 2023 attempt? Don't miss out on the opportunity to join our comprehensive mentorship program designed to help you succeed. Our program is built on below pillars that cater to all aspects of your CA journey.**

<b>Academics</b>	<b>One on One Session per Attempt</b>
------------------	---------------------------------------

The first pillar of our program focuses on academics.

You'll get access to weekly video calling sessions with our experienced mentors, a study planner to keep you on track, and the best notes available in the market. Plus, we offer doubt solving and study tracking to ensure that you stay on top of your game.

<b>Webinar</b>	<b>Per month Webinar</b>
----------------	--------------------------

The second pillar of our program is all about webinars.

We organize monthly webinars that cover topics like exam writing strategies, study and mind mapping tricks, rankers' insights, and Big Four alumni's experiences. You'll get to learn from the best and stay up-to-date on the latest trends in the industry.

<b>Test Series</b>	<b>12 Test Paper</b>
--------------------	----------------------

The third pillar of our program is our test series.

With our assured batch and team of 130+ CAs and past ICAI evaluators, you'll get a bird's eye view and ADAR reports - patented reports that have helped thousands of students succeed in the past.

<b>Special BATCH</b>	<b>Special Batch as per student</b>
----------------------	-------------------------------------

The fourth pillar of our program is our batch system.

We don't believe in generalizing batches - instead, we offer specialized batches that cater to different needs.

Whether you're a fresher, working professional, married woman, or a ranker, we've got a batch that's perfect for you.

<b>Post Exam</b>	<b>Post Exam Support</b>
------------------	--------------------------

The fifth pillar of our program is our post-exam assistance.

We offer comprehensive support in CV preparation and mock interviews for articleship and placements.

Plus, our Big Four alumni sessions give you valuable insights into career opportunities after completing your CA.

<b>Parent Teacher Connect</b>	<b>Every Month Call with Mentor</b>
-------------------------------	-------------------------------------

Every one month all the reports will be shared to you.

This session will be conducted with Mentor parents and student on video call

<b>Social Engagement</b>	<b>Daily Virtual Library</b>
--------------------------	------------------------------

The sixth and final pillar of our program is our social engagement.

You'll get access to our virtual library, virtual hangouts with other community members, stress buster activities, and lifetime community access.

We believe that a supportive community is essential for success, and we're committed to providing just that.

<b>Study Planner</b>	<b>Study Tracker and Planner</b>
----------------------	----------------------------------

A study planner and tracker is an essential tool for effective exam preparation. It helps you stay organized, focused, and accountable throughout your study journey.

Here's why it is crucial:

Time Management, Goal Setting, Prioritization, Progress Tracking, Accountability, Stress Reduction

Remember, a study planner and tracker are only effective if you consistently follow and update them.

<b>Study Buddy</b>	<b>Every week calls</b>
--------------------	-------------------------

Study Buddy is going to call the student after every week to understand his performance.

He will also assist you in scheduling sessions with mentors and resolving any technical issues that may arise.

Every month, he will have a call with his parents to keep them updated.

The student, mentor, and study buddy will have one personal WhatsApp group where he will handle things.

<b>Easy connect</b>	<b>Dedicated Whats app Group</b>
---------------------	----------------------------------

Personalized Mentorship: Our dedicated WhatsApp group offers students the invaluable opportunity to receive personalized guidance and support from experienced mentors.

Peer-Led Coordination: With a designated study buddy, students benefit from seamless coordination, ensuring mentoring sessions run efficiently.

Collaborative Learning Hub: This platform facilitates collaborative learning, where students can engage with peers, exchange ideas, and collectively tackle academic challenges, fostering a thriving learning community.

**We understand that the CA journey can be tough, with long hours of studying, multiple exams, and intense competition. As experienced professionals in the field, we know firsthand the challenges that CA aspirants face, and we're here to help. Our mentorship program is designed to support you every step of the way, so you can overcome your challenges and achieve success. We believe that with the right guidance, anyone can achieve their goals, and we're committed to providing just that. Join our program today and let us help you reach your full potential.**
